PASSPORT TO THE

Passport to Fun!

The Wine Islands is the fastest growing wine region in North America. It is comprised of Vancouver Island and the surrounding Islands. This region has long been known for its beauty and is consistently ranked among North America's top destination regions for tourists. This passport will encourage you to see what the Wine Islands region has to offer while tasting some excellent wines and meeting those who make them. This Passport To The Wine Islands contains only a small sample of the many great wineries located on the islands – we encourage you to explore all of them, even if they are not listed here. You will be glad you did!

How to use your Passport To The Wine Islands

Unfold this Passport to view the Wine Islands map which shows the locations of the participating wineries. After you finish your tasting, the winery will give their logo, located around the perimeter of the map, a unique stamp to show that you've visited there.

To qualify for the Third Prize, you must have stamps from at least 3 different wineries; to qualify for the Second Prize, you must have stamps from 4 wineries; to qualify for the Grand Prize, you must have stamps from at least 6 wineries including at least one from a winery not on Vancouver Island.

When you have enough stamps, submit your Passport into the draw one of two ways: (1) give your Passport to one of the participating wineries or, (2) mail your Passport to MWVA, P.O. Box 20058 Duncan BC V9L 5H1. Don't forget to write your name, email address and phone number below the map!

Entries for the draw will close October 31, 2011 and your Passport must be received by November 15, 2011. Prizes will be drawn and winners will be notified shortly after.

You do not have to purchase to be eligible, but some wineries may charge for tastings. As some wineries are not open 7 days a week, please phone ahead.
